

Local Artist, John Trimming, to Teach Art Class Wednesdays, Feb 4 - Mar 11

West Bountiful's Arts Council is pleased to announce the second in a series of art classes for adults, 18 and older. (Exceptions will need to be discussed with the instructor.) This class will focus on basic drawing with other classes to follow. Please communicate your interest to John or to the Arts Council. Classes will be held at City Hall on Wednesday evenings for 6 weeks and will be limited to 20 participants.

About the Instructor John Trimming

John recently retired as the Art Teacher at Woods Cross High School where he taught all forms of art for 34 years. He is a graduate of Utah State University with a composite degree in Ceramics and Sculpture. He has also pursued a master's in painting.

John has been selected twice by the Arts Council as the featured artist at city hall and those who viewed his art whole-heartedly agree that he is indeed an "Artist Extraordinaire."

at westbountifulartscouncil.org/

Congratulations to...

Utah Department of Workforce Services and the Utah Commission on Marriage had asked our city to nominate couples from our community that have had a healthy marriage and contributed to a community because of a variety of things like enduring through better and worse, thick and thin, and challenging experiences. Mayor Behunin and the Council proudly announce the recipients of the following awards for 2009. These couples will have special recognition given to them during the USA Marriage Week (February 7-14th).

Gold Metal Marriage will be awarded to **Rich and Marilee Hullinger** in which Rich, five weeks after being married in 1986, was badly injured in an accident at Lake Powell leaving him a quadriplegic. Together they have adopted three children, held church callings, served as community volunteers and worked together to support their family. Rich has worked for 17 years as a computer programmer for the State of Utah.

Ken and Lola Olsen have been married to each other since 1939 and will be celebrating their 70th Anniversary this year, awarding them the honors of being the **Longest Married Couple** in West Bountiful.

Their friends dared them to get married and they took the dare. They have seven children, 20 grandchildren and 35 great grandchildren. They have worked together throughout their lives owning several businesses, serving in the community and in their church. They have endured the death of their son, raised a special needs son and had their home burn down along with surviving two types of cancer, two strokes and other health issues. The key to it all is being unified in all things, working together with the same purposes and goals in every aspect of their lives. They are looking forward to many more happy years of marriage on this earth.

While serving in Desert Storm **Michael Sorenson** contacted a rare unexplained illness that continues to affect his life today. His wife Bonnie has stood by him through all the effects of this illness. The couple was married in 1978. Despite the added strain this illness has caused to Mike as an individual and his wife and family, they both continue to serve their community and church. It is the honor of the Mayor and Council to award **Micheal and Bonnie Sorenson** the Valorous Military Couple Award.

Others to Be Honored...

The Bountiful Elks Community Award Program allows the city the opportunity to recognize two individuals a year, one as Citizen of the Year and the Other Officer of the Year. This year's awards go to **Trent Wass** for Officer of the Year. In addition to other outstanding accomplishments and merits, he risked his life while assisting the Bountiful Police Department with a robbery that took place at Zion's National Bank in Bountiful. Whatever Officer Wass does he does it with zeal. He is a real asset to our Police Department Team and the citizens of our community both in West Bountiful and neighboring communities.

For Citizen of the Year, Mayor Behunin and Council chose **Terry Olsen** for his continued services to our community. Terry has been very involved in supporting the city of West Bountiful. His most recent service includes being over the city wide emergency preparedness drill. Terry has served in this capacity three different times for a total of eleven years. In the fall he held an evacuation drill to help prepare the citizens to evacuate their homes if it becomes necessary. He has been a member of the 24th of July parade committee for three years. He will be the parade chair for the West Bountiful City Independence Day Parade for 2009 and he has worked with the Historic Committee in West Bountiful to provide wagon tours through the West Bountiful Historic District. We appreciate all that Terry has done to be a part of preserving the history and integrity of West Bountiful City.

New Water Rate Schedule

New Water Rate Schedule	
All Residential Units	
Inside City Limits	\$30.00 for 8,000 gal/month \$0.65 per 1,000 gal/month in 8,000-12,000 gallon coverage \$0.75 per 1,000 gal/month in 13,000-30,000 gallon coverage \$1.20 per 1,000 gal/month in 31,000+ gallon coverage

Users outside City Limits	\$30.00 for 12,000 gal/month for single family unit \$1.20 per 1,000 gal/month coverage (or part thereof)

Water Rate Advisory Notice

Please be advised that there will be a water rate increase on your upcoming utility billing statement. The increase in water rates was approved by the City Council last December. The increase will be used to cover necessary expenses to repair and replace water pipes and aging infrastructure and no longer providing adequate service to residents. The base increase (as listed in the table) will be from \$22 a month for 12,000 gallons of use a month to \$30 a month for 8,000 gallons of use a month.

The city has made an administrative decision to delay the additional tiered consumption charges (anything over \$30 for residential units) until the city has installed our new radio-read meters this Spring. Should you have any questions or concerns regarding these changes and meter installation, please feel free to call the city at 292-4486.
